2006 Off Road

Run 2 races (Dates TBC).
Investigate championship with other clubs.
Classes need to be clarified for those new to off road racing.

Track Maintenance

As discussed last year track requires substantial maintenance. Needs to be done 2005/2006. Consider hiring contractors to do required work.
Track barriers - fix existing and look to modify to stop mini moto's if they come back.

Meeting ended at 16:10.
